

DONATING YOUR VEHICLE CAN HELP HONOR AND EMPOWER OUR NATION'S BRAVEST

Thanks to the generosity of the American people over the last 20 years, Wounded Warrior Project® (WWP) offers life-changing programs that help injured veterans and their families overcome mental health challenges and financial instability while achieving independence and making meaningful connections at no cost.

When you donate a vehicle to benefit WWP™, the money from its sale will help injured veterans achieve their highest ambitions and you receive a tax deduction.
